Adonna Otwell is an ordained Minister with the Assemblies of God and a long-tenured Professor at Southwestern A/G University. Dr. Otwell holds a M.A. in Health & Physical Education from Tarleton State University and holds a Ed.D. in Secondary & Higher Education from East Texas State University. She is a singer, musician and composer with a heart to see Pentecost, revival, the supernatural, and the manifest power of God in every service. She currently teaches Biblical Prayer as Ministry, health/fitness related courses, and serves as Department Chair of General Studies. Dr. Otwell's weekends and summers are spent in evangelistic ministry as well as other ministry-type engagements. She thrives on seeing people saved, baptized in the Holy Spirit, healed, and touched by the Spirit of God. This is her heartbeat: "And they went forth and preached everywhere, the Lord working with them and confirming the word with signs following."
